**STIPULATION OF DISMISSAL**

Plaintiffs Jon Reznik, Dian Lathan, Timothy Johnson, and Randall Johnson ("Plaintiffs") previously opted into the conditionally certified collective action *Stevens v. HMSHost Corp.*, No. 10-CV-3571 (ILG) (VVP). After the *Stevens* court granted Defendants' motion for decertification, Plaintiffs brought the instant action. Additional *Stevens* opt-ins have filed individual cases across the country.

Recently, the parties in *Stevens* agreed to a global settlement in principle. The settlement will resolve, *inter alia*, this matter and all currently pending cases arising out of the *Stevens* case.

Plaintiffs and Defendants, HMS Host USA, LLC and Host International, Inc., do hereby stipulate that in light of the global settlement reached among the parties, this matter shall be dismissed without prejudice subject to court approval of the global settlement by the *Stevens* court, and in the event that approval is not obtained, subject to reinstatement in this Court. The parties further stipulate and agree that should this case be reinstated, the statute of limitations period for each Plaintiff who reinstates his or her case will, subject to the toll of the statute of

limitations in place while said Plaintiffs were a member of the conditionally certified *Stevens* class, relate back to the date of the original filing of this action.

Respectfully submitted this 26<sup>th</sup> day of January, 2016
